Rex is the owner of Rex's Antiques. His schedule includes speaking engagements at 90 libraries every year, daily private house call appraisals, and over 1500 presentations, including being a past guest on Fox TV.

He has been serious about collecting for over 30 years, and is knowledgeable and entertaining.

He will be sharing his expertise in collecting, trends, and fair and honest appraisals.

Categories currently getting attention and best price are: gold/silver, art, coins, jewelry, military, vintage furniture and anything retro. His specialty is paintings/art, jewelry, coins and designer furniture.

Personally, Rex is a collector of African-American art.
